

# The Atlanta Constitution

## Coverage: 1868-1945

To witness the emergence of the “New South,” start here.

*The Atlanta Constitution* gives today's researchers a vivid, first-hand account of one of the most turbulent periods in American history: post-Civil War reconstruction. This is an ideal primary resource for studying the feelings and reactions of Southerners on the passage of the 14<sup>th</sup> Amendment, the purging of “Rebels” from the legislature, the giving—then denying—of the right to vote to former slaves, and the passing of economic policies that changed the South and the United States forever.

This unique resource also captures the history of commercial giant Coca-Cola® in articles and display advertisements. It follows the development of baseball in America, including the Southern League's Atlanta Crackers, sometimes called the “Yankees of the south” due to the team's winning ways. *The Atlanta Constitution* also gives researchers the opportunity to read the original Uncle Remus stories that featured tricky Brer Rabbit and his foe, Brer Fox. Captured and written by *Constitution* journalist Joel Chandler Harris, these African folktales later inspired Walt Disney's *Song of the South* and Warner Bros. cartoon character Bugs Bunny.

For an amazing glimpse into changing Southern culture, society, and family life from the reconstruction through the early 20<sup>th</sup> century ... start here.

Illuminate history. Preserve the past.

ProQuest is proud to help you illuminate history for your users while preserving this historic newspaper for future generations. *The Atlanta Constitution*, like all digitized titles within the ProQuest Historical Newspapers™ program, lets researchers:

- Browse complete issues, cover to cover.
- Study the progression of issues over time with ProQuest's complete runs of historical newspapers.
- Cross-search topics and compare coverage and perspectives across all ProQuest Historical Newspapers,

such as *The New York Times* with *Index*, *Chicago Tribune*, and *Los Angeles Times*, for broader, often contrasting views of issues and events.

- Search for information by keyword, more than 20 article types (front page, editorial cartoon, classified ad, etc.), dates and date ranges, author, and more.
- View not only news articles, but also photos, advertisements, marriage announcements, obituaries, cartoons, and more, for added context.
- Print, download, and share articles and images in PDF format.

## Focus on research instead of the mechanics of finding data.

ProQuest makes it easy for both novice researchers and information professionals to find relevant information quickly, with basic and advanced search options. Searches can be confined to 20 specific article types and dates to focus on the most relevant information. Each newspaper page is zoned into article images, and each newspaper image is supported with searchable ASCII text. Combined, these features mean faster, more effective searches for users. ProQuest digitizes documents at a high resolution to deliver clean, readable images, and highlighted search terms focus readers on the most relevant content.

Researchers can sort their results by oldest, most recent, or most relevant. In addition, articles that originally spanned multiple pages of a newspaper are “threaded” together, appearing as one continuous image and improving readability. Users can view and easily download articles, front pages, photos, display ads, and more in PDF format. The “My Research” summary feature can be used to track recent searches, save articles, email documents, create a bibliography, export citations, and create Web pages.
