

NewspaperDirect Corporate PressDisplay

Today's news instantly—on the go and personalized

For instant, personalized access to top newspapers worldwide, start here.

Over 650 leading newspapers from 76 countries, in 38 languages online—and continuously growing.

Corporate PressDisplay from ProQuest provides today's newspaper in full-page format—as it appears on the newsstand—on your clients' desktops or mobile devices. So whether it's at work, home, or on the go, your clients always have personalized access to the latest coverage from top newspapers worldwide.

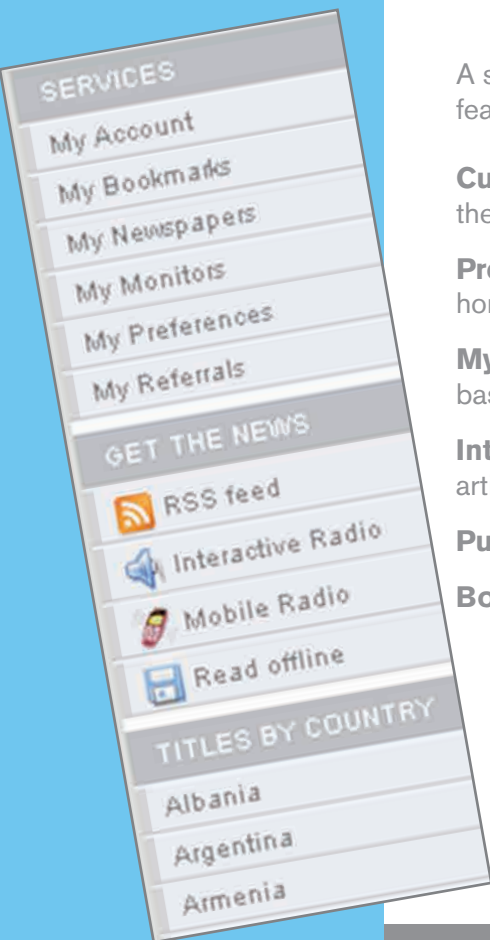

All titles are cover-to-cover electronic versions of today's issue including daily news, editorials, display ads, classified ads, crossword puzzles, and cartoons—plus access to an up to 90-day rolling, searchable archive!

"Not only does PressDisplay provide unique and valuable information, it is one of our most user-friendly and fun resources."

—Gina Handsberry, Manager, Show Research, E! Networks

Give your clients the information they need—in the office or on the go.

A subscription to Corporate PressDisplay with personalized access provides valuable features such as:

Customizable Interface—select titles, language, and news categories to feature on the PressDisplay home page

PressReader—install PressReader on up to three devices, such as a work computer, home computer, and mobile device, to access PressDisplay anytime—online or offline

My Monitors—create customized alerts to track competitors, people, and issues based on chosen search criteria

Interactive Radio and Mobile Radio—develop a playlist to listen to newspaper articles with Windows Media Player on a mobile device or computer

Public Sharing—share up to 300 articles a day with colleagues via e-mail

Bookmarks—save pages to view later

Save trees and provide a better newspaper reading experience.

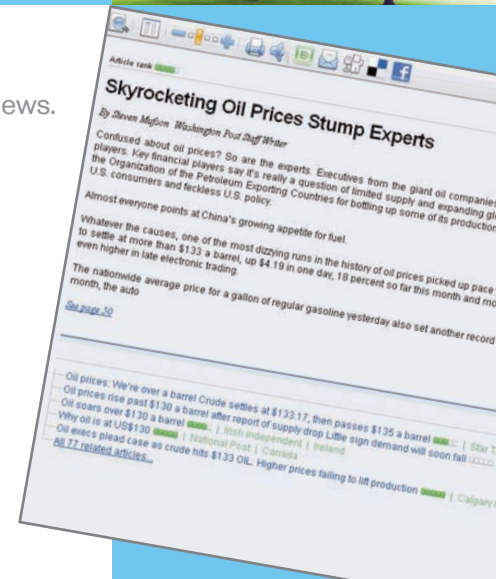

Let go of newsprint—PressDisplay digital editions are the sustainable option for reading today's newspapers. With access to 650 newspapers, you're providing more than just news.

PressDisplay offers:

- Front-page news on the homepage
- Access to newspapers by country, language, or title
- Multi-title searching
- Ability to email and print articles and pages

Many titles are available with SmartNavigation technology which features:

- Instant Article Translation
- Social Networking—share articles on your blog, Facebook, Digg, or Del.icio.us
- Article Ranking and links to related articles
- RSS Feeds
